PRESS RELEASE – ICR #23007496

The Midwest Medical Examiner's Office has identified the three Fish Lake Township residents who were located deceased in their home on Brunswick Road around 8 a.m. on Sunday, March 5.

- Darrell James Mattson, 73
- Denise Lillian Mattson, 68
- Kirk Patrick Mattson, 47

The medical examiner said all three died of homicide due to multiple gunshot wounds. The weapon used in the shootings was not found at the home.

In addition, a person of interest in the shootings was located deceased at a separate location on Saturday, March 4. The Hennepin County Medical Examiner's Office will determine the individual's cause and manner of death. Their name will be released once preliminary autopsy and family notifications are complete.

Investigators working the case continue to believe the Brunswick Road shootings were not a random incident and investigators have found no evidence pointing to an ongoing threat to public safety.

The Chisago County Sheriff's Investigations Unit and the Minnesota Bureau of Criminal Apprehension are investigating.

The Chisago County Sheriff's Office will provide additional updates as the investigation progresses.
