\*\*\*PRESS RELEASE – ICR #23007496\*\*\*

A suspect in the March 5<sup>th</sup> Fish Lake Township homicide investigation on Brunswick Road has been identified as:

- Kenneth George Koslowski, 39.

Koslowski was located deceased in rural Dakota County on Saturday, March 4 from an apparent self-inflicted gunshot wound. He was a relative to the homicide victims and lived in the City of North Branch. The gun used during his apparent suicide was forensically linked to the evidence at the triple homicide scene. Investigators also determined that Koslowski was in the area during the time of the homicides.

The investigation into possible motives and whether any other persons may have been involved continues. The Chisago County Sheriff's Investigations Unit and the Minnesota Bureau of Criminal Apprehension are investigating.

The Chisago County Sheriff's Office will provide additional updates as the investigation progresses.
