

# Community Walk

Celebrating the grand opening of Taylors Falls section of the Swedish Immigrant Bike Trail.

**When:** Ribbon Cutting at 5:30 PM on Tuesday,  
**September 27, 2016**

**Where:** Park at Tern Avenue parking lot located  
2 blocks north of Franconia Sculpture Park

**Why:** The Swedish Immigrant Bike/Walking Trail has been 20 years in the planning and sections have been slowly finished. The America's Best Communities (ABC) contest has provided impetus to complete strategic connections. EVERYONE is invited to walk the newest section and see the three bridges and enjoy the beauty of fall in the St. Croix Valley.

**Benefits:** This walk completes your "Walk your City 30 Day Challenge" and qualifies you to win lots of great prizes

**Thank you** to everyone who has worked so hard to make this trail a reality!
